Q15 Do you make ‘top up’ shopping trips in between your main food shopping trips? Top up grocery shopping includes ‘basket shops’ in foodstores, purchases from speciality retailers such as bakers, butchers and greengrocers, and snacks bought from shops. It could also include online food shopping.

Q21 Thinking more generally how much does your household spend on average on 'top up' food and grocery shopping in a week? Once again, top up grocery shopping includes 'basket shops' in foodstores, purchases from speciality retailers such as bakers, butchers and greengrocers, and snacks bought from shops. It could also include online food shopping.
