

PAY POLICY STATEMENT

FOR THE FINANCIAL YEAR 2025/2026

Statement of Pay Policy for the year 1 April 2025 to 31 March 2026

1. Introduction

Sections 38 – 43 of the Localism Act 2011 require the Authority to produce a policy statement that covers a number of matters concerning the pay of the Authority's staff, principally its Chief Officers and the Authority's lowest paid employees. This pay policy statement meets the requirements of the Localism Act 2011 and takes account of the guidance issued by the Secretary of State for Communities and Local Government in February 2012 and the supplementary guidance issued in February 2013 both entitled "Openness and accountability in local pay: Guidance under section 40 of the Localism Act" together with the Local Government Transparency Code 2015 where applicable.

This pay policy statement does not apply to employees of schools maintained by the Authority and is not required to do so.

In accordance with the provisions of the Localism Act 2011 this pay policy statement is required to be approved by a resolution of the Authority before it comes into force.

Once approved by the Full Council, this policy statement will come into immediate effect, superseding the 2024/25 pay policy statement, and will be reviewed annually for the first quarter of the financial year.

2. Definitions used in this Pay Policy Statement

All the posts below are collectively referred to as **Chief Officer**.

- **Chief Executive**, who is the Authority's **Head of the Paid Service** under section 4(1) Local Government and Housing Act 1989.
- **Statutory Chief Officers**, which in this Authority are:-
 - Strategic Director - Children's Services**
 - Strategic Director - Adult Social Care and Health** who is the Authority's designated Director of Adult Social Services.
 - Director of Finance** who is the Authority's Chief Finance Officer under section 151 Local Government Act 1972 and section 6 Local Government and Housing Act 1989
 - Director of Legal and Governance** who is the Authority's Monitoring Officer under section 5 Local Government and Housing Act 1989.
 - Director of Public Health**
- **Non-statutory Chief Officers and Deputy Chief Officers**, which in this Authority are:-

All other Strategic Directors, Directors, Deputy Directors and Assistant Directors.

The **Lowest Paid Employees** are defined as employees paid on Spinal Column Point 2 of the National Joint Council (NJC) for Local Government Services pay scales. This definition has been adopted as it is the lowest level of remuneration attached to a post in this Authority (see section 5 below).

3. The Overall Approach to Pay and Remuneration

The Authority's overall approach to pay and remuneration for its employees is based on:

- Ensuring that the overall remuneration aligns with: -
 - The responsibilities and accountabilities of particular posts
 - Market norms for the local government and public sectors
 - Pay levels in the local area, including neighbouring public sector employers.

The Authority seeks to maintain this overall approach by carefully monitoring pay data provided by the Joint Negotiating Committees (JNCs) for Chief Officers and Chief Executives of Local Authorities, Local Government Association/Employers and other pay surveys.

4. Policy on Remunerating of Chief Officers

Policy on the Remuneration of the Chief Executive

The Chief Executive is employed pursuant to the terms and conditions of employment of the Joint Negotiating Committee (JNC) for Chief Executives of Local Authorities as amended and supplemented by local agreements, decisions and the rules of the Council.

The Authority recognises that the role of Chief Executive is to lead the Authority's workforce, has the greatest level of accountability and traditionally warrants the highest pay level in the Authority.

The Chief Executive is employed on a defined salary (not a grade range) and this salary is increased in accordance with any nationally agreed pay awards as determined by the national Joint Negotiating Committee for Chief Executives of Local Authorities.

The salary of the current Chief Executive as at 1 April 2025 is £217,479 per annum (2025/26 pay award pending) which will increase in accordance with the nationally agreed pay award as determined by the national Joint Negotiating Committee for Chief Executives of Local Authorities.

Policy on the Remuneration of Other Chief Officers

Chief Officers are employed pursuant to the terms and conditions of employment of the Joint Negotiating Committee (JNC) for Chief Officers as amended and supplemented by local agreements and decisions.

Grades for Chief Officer posts are determined through job evaluation which is a systematic way of determining the value of a job in relation to other jobs in the organisation and provides an analytical approach to evaluating the job value through allocating points to different factors (responsibilities and duties) of the job role, the total score of which equates to a grade range within the Authority's pay and grading structure for Chief Officers. The scheme used for this is Korn Ferry Hay Job Evaluation methodology. These grade ranges are set out below.

A grade range consists of a number of incremental salary points through which employees may progress until the top of the grade is reached. Progression within each grade range will normally be by annual increment at 1 April each year until the top of the grade range is reached.

Pay Policy Statement

The grades and salary ranges as at 1 April 2025 (2025/26 pay award pending) are:

Strategic Director 1	£154,905 - £162,301 (SD1)
Strategic Director 2	£127,787 - £140,113 (SD2)
Director 1	£119,466 - £131,207 (Dir 1)
Assistant Director 1	£108,925 - £115,213 (AD1)
Assistant Director 2	£96,350 - £108,925 (AD2)
Assistant Director 3	£83,777 - £96,350 (AD3)

All the posts referred to as 'Chief Officer' for the purpose of this pay policy statement and the respective salary ranges are attached at Appendix B. It should be noted that the pay award for Chief Officers and Chief Executives for 2025/26 has yet to commence negotiation.

Other Aspects of Chief Officer Remuneration

Other aspects of Chief Officer remuneration covered by this pay policy statement include the policies in respect of recruitment, pay increases, performance related pay, earn back (withholding an element of base salary related to performance), bonuses, ex gratia payments, honoraria (payment for increased duties and responsibilities), termination payments and re-employment when in receipt of a Local Government Pension Scheme (LGPS) pension or a redundancy/severance payment. These matters are addressed in the schedule that is attached to this pay policy statement at **Appendix A**.

Public Health

Following the transfer of responsibility for public health to local authorities on 1 April 2013, those employees of the NHS assigned to the area transferring, transferred to the employment of the Authority and remain on their current terms and conditions of employment including salary and membership of the NHS pension scheme.

There are a number of the Public Health Consultants who report to the Director of Public Health on NHS pay rates which fall within the pay ranges assigned to JNC Chief Officers within the Council. As such, some or all of this pay policy statement may not apply to them.

West Yorkshire Pension Fund

Under the Local Government Pension Scheme Regulations, costs of managing local government pension schemes (including salary costs) must be charged to pension fund accounts and not to local authorities' general fund accounts. Under regulation 69 of the Local Government Pension Scheme Regulations 2013 every scheme employer (of which there are several hundred) must pay the administering authority (Bradford Council for the WYPF) a contribution towards the cost of the administration of the Fund, which includes salary costs.

Tax Avoidance Measures

All Chief Officers are remunerated via monthly salary payments through PAYE. Appropriate tax and national insurance deductions are made in accordance with HMRC regulations and there are no arrangements in place for the purpose of minimising tax payments.

Where the Council is unable to recruit senior managers, or there is a need for interim support to provide cover for a substantive Chief Officer role, the Council will, where necessary, consider engaging individuals under a "contract for service". These will be sourced through a relevant procurement process ensuring the Council is able to

Pay Policy Statement

demonstrate the maximum value for money benefits from competition. In these cases, appropriate tax and national insurance deductions will be assessed and deducted as required in accordance with HMRC regulations.

5. Policy on Remunerating the Lowest Paid Employees in the Workforce

Pay levels for specific posts are determined through a job evaluation system. Job Evaluation is a systematic way of determining the value of a job in relation to other jobs in the organisation. The job evaluation scheme provides an analytical approach to evaluating the job value through allocating points to different factors (responsibilities and duties) of the job role, the total score of which equates to a grade within the Authority's pay and grading structure. The Authority uses the National Joint Council Local Government Services Job Evaluation Scheme (the NJC Scheme) to evaluate all posts on Bands 1 to PO6 (this covers all spinal column points 2 to 43 of the NJC pay spine.) For posts on Special A and above, up to and including Chief Officers, the Korn Ferry Hay job evaluation scheme is used.

The pay levels are increased in accordance with any nationally agreed pay awards as determined by the National Joint Council (NJC) for Local Government Services.

Remuneration of Lowest Paid Employees

- a. The lowest pay point in this Authority as at 1 April 2025 is spinal column point 2 which relates to an annual full time salary of £23,656 per annum (2025/26 pay award pending) and can be expressed as an hourly rate of pay of £12.26. This pay point and salary is the lowest pay point routinely used by the Authority for its substantive roles determined by the Authority as part of its pay and grading structure for employees employed on Local Government Services Terms and Conditions. This is the definition of the "lowest paid employees" adopted by the Authority for the purposes of this Pay Policy Statement and is only increased in accordance with any nationally agreed pay awards as determined by the NJC for Local Government Services.
- b. There is no bonus pay.
- c. Additional allowances or other payments are made in connection with an employee's pattern of hours e.g. shift work, but these are only paid in accordance with the terms and conditions of employment that have been negotiated and agreed through appropriate collective bargaining mechanisms (national or local) or as a consequence of Authority decisions.
- d. There are no benefits in kind.
- e. Redundancy payments are paid in accordance with the Authority's Discretionary Compensation Policy.
- f. Based on the application of the job evaluation process, the Council uses the nationally negotiated, National Joint Council (NJC) pay spine as the basis for its local grading structure for all posts graded up to and including PO6 (this covers spinal column points 2 to 43 of the NJC pay spine.)

6. Policy on the Relationship between Chief Officer Remuneration and that of Other Staff

This section sets out the Authority's overall approach to ensuring pay levels are fairly and appropriately dispersed across the organisation, including the current pay multiple which applies within the Authority.

Pay Policy Statement

The Authority believes that the principle of fair pay is important to the provision of high quality and well-managed services and is committed to ensuring fairness and equity in its remuneration practices. The Authority's pay policies, processes and procedures are designed to ensure that pay levels are appropriately aligned with, and properly reflect, the relative demands and responsibilities of each post and the knowledge, skills and capabilities necessary to ensure that the posts duties are undertaken to the required standard, as well as taking account of relevant market considerations, if necessary. This includes ensuring that there is an appropriate relationship between the pay levels of its senior managers and of all other employees.

The Local Government Transparency Code 2015 requires the Authority to publish its 'pay multiple', i.e. the ratio between the highest paid salary and the median average salary of the whole of the Authority's workforce. Guidance issued under the Localism Act 2011 recommends that the 'pay multiple' is included in the Authority's pay policy statement.

The highest paid salary in this Authority is £217,479 per annum which is paid to the Chief Executive.

The current median average salary in this Authority (not including employees in schools maintained by the Authority) is £29,572 per annum (2025/26 pay award pending), which is up from £27,334 at February 2024. The ratio between the two salaries, the 'pay multiple' is 7.4:1 (down from 7.8:1 at February 2024). This Authority does not have a policy on maintaining or reaching a specific 'pay multiple', however the Authority is conscious of the need to ensure that the salary of the highest paid employee is not excessive and is consistent with the needs of the Authority as expressed in this pay policy statement.

7. Approval of New Posts with a Salary Package of £100,000 p.a. or more

All the posts referred to as 'Chief Officer' for the purpose of this pay policy statement and the respective salary ranges are attached at Appendix B.

The Authority will ensure that Full Council must approve any salary package of £100,000 per annum or more before it is offered in respect of a new post not listed in Appendix B or if it is proposed to pay more than the top of the salary range for an existing post in Appendix B (excluding pay awards) unless paragraph 9 of this pay policy statement applies. This does not apply to offers of appointment made to employees employed in schools maintained by the Authority. The salary package will be defined as base salary, routinely payable allowances and any benefits in kind that are due under the contract.

8. Severance Payments for Chief Officers

If the Council is considering making a severance payment to a Chief Officer the decision as to whether such a payment should be made will be taken by Staffing Committee or a sub-committee of Staffing Committee both of which are sub-committees of full Council provided that if the proposed severance payment is £100,000 or more, (excluding accrued pension rights) then the decision as to whether the payment should be made will be taken by full Council.

9. Flexibility to Address Recruitment Issues for Vacant Posts

In the vast majority of circumstances, the provisions of this pay policy statement will enable the Authority to ensure that it can recruit effectively to any vacant post. There may be exceptional circumstances when there are recruitment difficulties for a particular post

Pay Policy Statement

and where there is evidence that an element of the overall remuneration is not sufficient to secure an effective appointment. This pay policy statement recognises that this situation may arise in exceptional circumstances and therefore a departure from this policy can be implemented without having to seek Full Council approval for a change of the pay policy statement. Such a departure from this pay policy statement will be expressly justified in each case and will be approved through an appropriate Authority decision making process.

10. Amendments to the Policy

If a major change to this pay policy statement is considered to be appropriate during the year, then a revised draft pay policy statement will be presented to Full Council for consideration.

11. Policy for Future Years

This pay policy statement will be reviewed each year and will be presented to Full Council each year for consideration in order to ensure that a policy is in place for the Authority prior to the start of each financial year.

12. Publication

The Authority will publish this pay policy statement on its website (www.bradford.gov.uk) as soon as is reasonably practicable after it has been approved by Council. Any subsequent amendments to this pay policy statement made during the financial year to which it relates will also be similarly published. The Authority currently publishes information on Chief Officer Remuneration in its Annual Statement of Accounts in accordance with the requirements of the Accounts and Audit Regulations 2015 and the Local Government Transparency Code 2015 [Statement of Accounts | Bradford Council](#)
