Residential and nursing placements in Bradford District are paid according to fee rates agreed yearly. The data on the lowest fee rates paid by Bradford Council for commissioned adult social care is available in the public domain as above.

The charts in the link show the rates for 2025-26 and 2026-27. The fee rates do not match the categories in your request: services are provided based on need, therefore people receiving Mental Health and Learning Disability services are not necessarily of working age.
